11+ Mock Information

What is an 11+ mock?

These are 11+ practice papers that we run under real exam conditions, in order to help children feel more comfortable and at ease with this scary GL assessment paper and the very new situation of being in a formal exam situation!

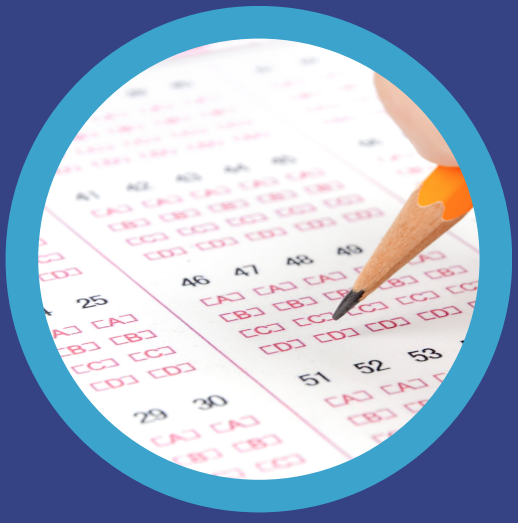
They get used to how the exam works, how to work at speed under timed conditions and how they can maximise points. We use the mock exams to train them how to take the test and apply exam technique to help them get through the paper.

Where do we get the 11+ mock papers from?

GL assessment do make their papers commercially available, so we are aware of the format that is needed however, we do not use any papers that you can buy. What would be the point in doing a mock, if you had done the paper before? Emma, our Director, knows the 11+ exam inside out and writes fresh papers every year for our mock exams based on what was in the 11+ in Torbay last year. Our papers are challenging and reflective of what the standard in the real 11+ will be. Our pupils always tell us that our mock exams really pushed them and by the time they got to the real 11+, they found it easy! They really do give them the best preparation.

When are they?

Our mock exams take place on one Saturday a month between March and early September. You can book as many or as little as you like. However, we have found in past years, that the children (and parents) who really went for it with their preparation and mock exams, got the outcome they wanted!



11+ Mock Information

How much are they?

Our mocks are competitively priced at £43 per mock and you pay a small deposit in January with the final balance for each mock being due the month that you sit them.

Our fee includes:

- A full exam experience in our classrooms
- Access to the exam papers used
- Peer comparison will be used in your child's report with age-standardised scoring
- A 6-page statistical report and breakdown of their mock scores
- Maths & English paper video walk-throughs
- Personalised learning links to work on with your child
- **Personalised recorded video feedback for your child that walks them through their results and gives recommendations of how they can improve their performance.**

How do I book?

We will open bookings for our current parents to reserve places for their child in our mock exams. **This early opening is for our current 11+ parents only.** We like to look after our own pupils first and therefore, as one of our current customers, you will get an extra week to book any mock exams you wish to reserve before general booking opens.

Please be aware that we only have a limited number of spaces available, as we like to keep it small and inclusive for the children and not over-whelming. They will sit the 11+ in classrooms at the grammar school, so we use our tuition centre in Torquay to reflect the same set-up in our mock exams.

If you have any other questions about our mock exams, please do not hesitate to call us on 01803 414546 or email admin@rivieratuition.co.uk
